

TRE KinderBoost Program may be the perfect fit for your child!

Who: All children turning **five** before September 15th

What: The program is designed for your child to have a seamless transition into kindergarten. Our Kinderboost program is designed to build a strong foundation for your child's academic and social success.

Where: Tongue River Elementary School

When: 7:55 am – 2:30 pm Monday through Thursday and follows the TRE Elementary School calendar.

Why: KinderBoost contributes to the cognitive, physical, social and emotional development of children. It prepares them for the rigor of Kindergarten through developmentally appropriate and engaging activities through play and hands-on experiences. Research shows that young children learn and develop math, reading, writing, and social skills through play and hands-on, age-appropriate experiences preparing them for school.

“Play is often talked about as if it were relief from serious learning. But for children play is serious learning. Play is really the work of childhood.”

Space is limited!
