*** When choosing a therapist who may be a good fit for you or your family, below are some possible questions to ask:**

- Do you offer a sliding fee scale?
- Do you accept Medicaid?
- How quickly could you provide us with services?
- What services do you offer?
- Are there certain age groups in which you specialize?
- Do you have someone on-call for after hour crisis assistance?
- What are your business hours for counseling appointments and do you offer any weekend or evening appointments?
- Do you offer in-home counseling services?
- What's the intake process entail?
